“ I met Marcia through Temple Sholom Sisterhood. She was gracious, kind, always remembered my name and had a smile for me. She was definitely an enthusiastic gardener and just a lovely person. It was an honor to know her and I will remember her (and Bill) fondly.

I met Marcia at Cedar Village while she would come visit Bill. I was a home health aid. She and I had many wonderful conversations, and it was clear that she had such a zest for life and love for her family. She will be missed. God Bless you all!
