“ I am better for knowing Marcia. Condolences to all of the Lazarus/O'Toole family members. She was spunky, sweet and really passionate. I am so glad I was fortunate enough to work with her. Her contribution of time, talent and treasure to the Bethesda Hospital Auxiliary and Bethesda Foundation were so appreciated and will be greatly missed.

“ My sincere condolences are offered to you for the passing of my dear friend Marcia. She was an enthusiastic participant in our dinner group on Monday nights (she loved Chinese!) as well as a member of the Bethesda Hospital Auxiliary for many years. She will be missed by so many of us because of her caring & fun-loving friendship. Rest peacefully Marcia!
