“ I have only wonderful memories of Margo and John! They both added so much warmth and joy to my time as a member of Temple Sholom. From serving on the Fundraising Committee together to enjoying each other's company at Oneg Shabbats and Purim festivities, I had many opportunities to spend time with these 2 most gracious and generous people. My life was made richer for having known both of them. I send my warmest and sincerest condolences to the family on the sad occasion of Margo's passing, but what a blessing her memory will be to so many! I'm so grateful for her long life and having been able to spend part of it in her company.

“ Hi Hazel ! Your mom was just the definition of cute and spunky. I will always think of those adjectives when I think of her! As far as daughters go , you are the best! You shared time and adventures with her and cared for her in her later years! Sending hugs , Julie Cohen

“ What an inspiration Margo was to me! We met & worked together at Jewish Hospital starting in 1979 until she retired & we kept in touch, off & on, & through her volunteer husband John. I spent a wonderful week with her on Sanibel Island 10 years ago & treated her to lunch for her 100th birthday 3 years later. Such energy! Go be with John now, Margo. I'm sure he will be so happy to have you with him again. Kim Fisher (JH Cardiology dept)
