“ I remember Margot very clearly from her many years at the Hebrew Union College. She was always so warm and caring and interested in others and their well-being. She was a remarkable woman.

“ I had the good fortune to know Margot MY ENTIRE LIFE, until now. Monica and I share the same birthday, her birth being approximately 11 hours before me. Our Moms met in the hospital and shared a friendship for so many, many years. My life was brightened by her smile whenever I saw her - we shared a special bond. When we joined B'nai Tzedek it was great to see her more often and know that we shared so many of the same friends. Although I could not visit with her very often at Cedar Village she was always on my mind.

To Monica, Larry, Mac and Tyler - May her memory always be for a blessing. I know it will be for me. Sending virtual hugs to you!

“ Sincere condolences to Margot's family. She was such a bright spot...I delivered Meals On Wheels to her every week until she moved. She always had a smile & a kind word and seemed to be so full of life & energy. May her memory be a Blessing.
