“ A precious lady that I had the honor and joy to care for near the end of her life's journey. Marina was very special.

“ Marina was very kind hearted and one of my favorite aunts. We spent several times together whenever I visited North Carolina. She was always funny and had a gentle laugh. She will never be forgotten and I hope to meet again in the heavenly courts of our Savior Jesus. Love from your nephew Jonathan in Arizona.

“ I knew Marina for such a short time but will always remember her. She was soft spoken and truly appreciated the beauty around her. She loved the country of her youth, Puerto Rico, especially the palm trees and beaches. From her balcony she enjoyed watching the birds and how the wind moved the leaves in the trees and how that movement changed their colors. That especially resonated with me because I often just watch the leaves in the trees dance with the wind. She also loved her family very much and enjoyed looking at photos and sharing details about them. Thank you Marina for allowing me to walk beside you . May peace be with you.
