“ We were saddened to hear of the loss of Marlene. She was a wonderful and giving person and the mother of my son's best friend Stuart. Marlene and Maurice raised two lovely sons who are caring and very successful in life. I enjoyed spending time with Marlene and Maurice in Japan. They were a pleasure to be with. Marlene will be missed by all.

“ The world has lost another Eshet Chayil. Marlene touched the lives of so many people. Adath Israel's school ran on her engine. I learned so much from having her in my life she made me successful. I will miss her so much. I only hope G-d needs a strong administrator to take care of things because I don't know if she will be satisfied. Rest In Peace your memory will bless so many of us.

“ I worked with Marlene for many years at Adath Israel Preschool, and she was my children's kindergarten teacher in Sunday School. Marlene put so much time, energy, And love into her teaching. After class, she would march upstairs to the school office for the afternoon, and open up the canteen for the Hebrew school kids at 4:00 pm. You can't find a more loyal and dedicated person than Marlene. She will be greatly missed! My condolences to her two sons and the rest of her family. Sherry Weisbrot

Marlene was a wonderful teacher in both the Religious School and Pre School at Adath Israel. She taught all three of my children and I was lucky to be a fellow teacher in the same school. She was very dedicated to the school and the students. My condolences to her family. Sharon Gaswirth Baron

“ I was sad to see this. A flood of wonderful memories came back from when my kids attended Adath Israel's preschool. I always loved spending time with Marlene. Gosh we we had fun! We are grateful for her devotion to promote Jewish values in all kids. The community has lost a gem. Her life will always be celebrated. May her memory always be a blessing to her family and to us all.

“ Marlene and I worked together for 8 years and had many many insightful conversations. The care and attention she put into her work for the religious school students over many decades had a profound impact on their Jewish education. She left a wonderful brand on this world and she will surely be missed by all. May her memory always be for a blessing.
