“ *Very sorry to hear about the passing of Shirley & Marty. I tried to post this months ago, but for some reason, it didn't appear. They were longtime close friends to my parents, Ben & Fay, spending countless hours together at many, many social events as an integral part of an amazingly large group of great friends. They will be missed. Condolences to Steve, Linda, and Cheryl.*

“ *To the Ruben family,*

Behind that tough exterior was a heart and soul of pure gold. We shared a lot of stories and good times during our time together at Cardiac Rehab.

Rest in peace.

“ We at Reitman Auto Parts & Sales, send our deepest sympathy to the Ruben family. Our association with the family goes way back in the day. It was always great to get together and listen to all the stories on how the auto recycling yards in the greater Cincinnati/Northern Kentucky/Southwest Indiana all worked together to supply the area with auto and truck parts. And Oh there are some stories. Martin, much like Frank, will be greatly missed in this industry as well as a friend. You knew when Martin came in, there was always an entertaining story to be left behind. Sincerely,
Frances Reitman and the Reitman Auto Parts Family

“ Martin was a good friend. We had many breakfasts together after our workout at cardiac rehabilitation. He would do anything to help anyone. He will be greatly missed! My son is now driving a car that we bought from Marty who loved to buy ,fix and sell cars! He loved to talk of his children, grand children and great grand children.

Condolences to his loving family.
