“*Marvin was the “love of my life” in 2007 and 2008. He was indeed a wonderful man, and if you knew his parents, as I did, you knew why. His sons are both fine men and are a delight to know. I will always remember Marvin and I together and all the joy we shared. Marvin, I will always miss you.*

“*Marv was my best friend in college. He and I were dorm counselors together and stayed in touch through the years as recently as this past summer. His sense of humor and ability to relate to so many people were an inspiration to me. I will miss him immensely. My sincere condolences to everyone in the Mark family.*
