“ I was a patient of Dr. Pravda's. He was a wonderful, caring Doctor. He helped me get well. He was a true gentleman and I was very fond of him. I saw him at Dr. Ryan's funeral and he looked fine and even remembered me. The Doctors have lost a good Doctor and I am sure a good friend. Many synpaathy to Myra. I lost my husband last year, and it is a tough road. Blessings to you both.
