“ *Cindy, Sandy, Lewis, and David,
Ken and Jerri called me tonight to tell me about Aunt Mary. 105!
What a life! It has been 40 years since I saw your mom or the four
of you, but I remember each of you vividly. Your mom always gave
me a big hug each time I saw her, and she always had a smile.
Combining that with her innate kindness and vibrant spirit you can
understand why I found her so very special. I send my love to each
of you. I pray happy memories embrace you in the days, months,
and years ahead.

“ *Cindy, I want to extend my condolences to you and your family on
the passing of your mother. When I would see you at the Rec
Center, we often spoke about her, and how amazing it was that she
was living on her own. What an amazing woman...and legacy for
your family. My sympathies. Ann Neuer*
