MAURICE DICK

(WWII VET) Dick, Maurice (Maury), age 95, of Cincinnati, Ohio, passed away April 22, 2023. Maury was born in Cincinnati to Rose and William Dick. He was married to his beloved wife, Erva (Meisel) Dick for 72 years. Maury graduated from Hughes High School and proudly served in the US Navy during WWII. He worked for General Electric's aircraft division in Evendale, owned Maury Hardware in Evanston, Avon Hardware in Avondale and the Discount Quality Gas Station in Evanston. He served as VP of Sales for Fiberglass Evercoat in Blue Ash and then purchased the Dennis Tire Company in Walnut Hills. Maury's number one passion in life was his family. Family was everything to him; which explains why he named his boat "Four Sons". For over 50 years, Maury, Erva and their family enjoyed boating, swimming, skiing and relaxing together at the family cottage on Williamstown Lake in Dry Ridge, Kentucky. He was an avid Motorcycle enthusiast and owned numerous Honda Goldwings over the years. Remarkably, he rode his Goldwing until age 91 and then transitioned to a three wheeled "Trike" which he continued to ride in 2023. He was a Mensch through and through and was loved by countless friends. He would (and did) help anyone in need. Maury was predeceased by his siblings Sara Barishman, Edith Sherwin, Esther Swillinger, Irvin Dick and Benny Dick. He is survived by his beloved wife Erva, sons Gary (Michele), Scott (Debbie), Darryl (Bonnie), Kevin (Nancy), a very special sister-in-law, Michael Zwick, as well as his beloved Grandchildren,

Great Grandchildren and wonderful nieces and nephews. He is also survived by dear people in his life, Ellen Dick, Karen Stavermann and Mike Brenner.

“ The times at the lake are some of the best! Uncle Maury taught me how to drive a boat, knee board and ski. Aunt Erva was always there with food, dry towels and support. I loved having 4 "bonus" brothers. Uncle Maury and Aunt Erva were lifelong friends of my parents (Marty and Paula Holstein). Uncle Maury, you will be missed, but will always be remembered. May your memory be for a blessing to those who loved you. Sending love, hugs and comfort to the entire family.

“ I have wonderful memories of our family going to Aunt Erva and Uncle Maury's cabin on the lake! Boating, eating, boating and eating again. GREAT childhood memories. May his passing be for a blessing and he will always live in the hearts of those he touched.

“ My deepest sympathies to Erva, Gary, Scott, Darryl and Kevin. My heart is broken for you and all of us whose lives he touched. Growing up on the lake as neighbors was such a blessing. He referred to me as his weekend daughter. He and Erva attended my wedding 42 years ago and I can still vividly remember dancing with him. The world has truly lost a great man. My love and prayers to all his family and friends.

“ AS group of us, motorcycle riders, were on a trip touring Civil War battle fields and cemeteries. I believe Mike Brenner was leading the tour. First thing in the morning as we left the motel where we had spent the night, Maury was the last bike leaving the parking lot, right behind me. The other riders had all left the lot and I had to stop due to oncoming traffic. Maury was looking at the traffic and did not see me stop. Boom! Even at those low speeds, holding up a half ton of motorcycle was too much for Maury, and over he went. No injuries and no real damage. But was he ever embarrassed. I felt so sorry for him.

“ Scott and Debbie,
I am so sorry to hear of your Dad's passing and so sorry for your loss! My Uncle Maury thought the world of your Dad, Maury, and talked about what great friends they always were! Now the two Maury's are together again!
Thinking of you, Debbie, your Mom and your entire family during this difficult time!

“ I write this with a heavy heart, as a little boy growing up in (Roselawn) Stillwell Rd and having this family as our neighbor was something that blossomed into something much greater only few will understand.

I've spent many nights at their house, and I joke, only Maury and Erva are the only ones who saw me more in my underwear than my parents. It gets better - going to Williamstown Lake was always a fantastic weekend, after dinner at the cottage Maury, Kevin, Darryl and I always went for an evening boat ride and listen to music, especially Boz Scaggs.

I think about boating with him and the family, this kept him young at heart, and simply are priceless memories!

Most oftentimes when Boz Scaggs comes on the radio I call Kevin, and I'd say we were some cool dudes - lol

This was just one of many, however, this man Maury (2nd Father) Dick - had an influence on the man I am today.

One final thing, I'll miss eating burgers with you at Rockdale Brotherhood Cookout!!!!

With my heart breaking and having to say goodbye to you Dad, I can't believe this is really happening.

I remember all the nights staying over at your house when Gary and I were younger, getting yelled at for staying out to late, having people chase us back to the house where you chased them off and the fun times at the cottage racing the boat. There's so many memories of my child hood that we enjoyed together and you and Eva were my second parents. When my Mother and Father passed, you then became my number one Mom & Dad and that I will always cherish.

My one regret is that we haven't seen each other in many years after I moved to Florida and for that I am sorry. Thankfully, we were able to keep in touch online which help filling the void of not seeing you.

Thank you for memories and I'll see you when it's my time.

With all my love..... Lee

Jay and I would like to send our deepest and most sincere sympathy to the Dick family. What a blessing they were to this world and what wonderful role models they were to all that knew them. Not only were they angels on this earth but they both had angel parents. Maury had such a sincere depth of love for his family and he will be missed so very much by all who knew him and loved him. Our hearts and prayers are with all of you. Love - Bobbie and Jay Wittenbaum
