“ *It is with sorrow that I heard of the death of your father. I have warm memories of him. Mr. Nadler gave me my first job at age 15, initially at Nadlers in Northside and then at Marjories in Brentwood Plaza. Whenever he stopped in he praised and encouraged me which made me eager to work even harder to please our customers. I learned good salesmanship from him that I put to good use in "selling" the value of art to my students during my 45 years as an art educator. I owe Mr. Nadler's early training and the confidence and support he offered. I count him as my first mentor and I'll remember him always for his warmth and kindness to me.*
