“ I worked with Michael at Shady Grove many years ago. We always kept in touch and he would come to our house for shabbos dinner when in town. Just found out of his passing. May his name be remembered as a blessing!

“ To the family, I'm so very sorry for your loss. Dr. Taplits was a wonderful ER physician. He had a very unique personality and was very smart. I had the pleasure of working with him at Marlboro Park Hospital as well as Scotland Memorial Hospital. ❤️🙏

“ *Marcia and Bryan, We are so sorry we can't be with you at this sad time. Just know we showed him lots of love while he was with us. Through Thanksgiving dinner to Wake Forest basketball games and his visits to Kiawah including the renewal of our vows. He was loved. Love, Shari and Wesley Covitz*

“ *It's a no brainer that Mike was my favorite cousin. We were very close growing up, but even more so when we moved to Winston-Salem and he lived in Bennettsville, SC. We'd invite him for Thanksgiving every year and we'd take him to Wake Forest basketball games. He wanted to see either Duke or UNC. It's hard to believe that he's gone, but not forgotten.*

Dr. Taplits was one of the most unique and brilliant physicians I have had the honor to know in over 40 years in the nursing profession. His humor and expertise were unsurpassed.

After 1 1/2 years, I still miss him. He'll always be near to me because I'll always carry him in my heart.

Rest in peace, kid.
