“ Even though we both lived in Wyoming , Michele and I met while getting our hair “done”.
I remember her amazing trays of cookies and in fact I was fortunate enough to get to bake with her . She shared several of her recipes with me and one recipe has earned the name of “Michelle cookies “
.
They are delicious .

She was a special woman and I am sure she will be missed by all .

“ From all of us at Crayons to Computers, we are very sad to hear that Michele passed away. She was a family volunteer and on our event committee. She was a wonderful, beautiful person and we miss her. Our thoughts and prayers are with you.

“ Dear Adam and Sean, From the moment we met your mom at Valley Temple, she embraced our family and made us feel welcomed. She was a loving and giving person. Michele and I shared many movies and dinners together. We had such wonderful excursions together. One of the last times we spoke she called to thank me for the Graeter's Ice Cream I had delivered to her apartment. Death can not take that which is locked in our hearts.

“ I loved spending time and getting to know her during a couple of her visits to DC. A passionate woman who wanted to give back and loved her sons deeply.

“ My deepest sympathy to Sean and Adam on the loss of your sweet, beautiful and loving mother. I remember when the Bartels had a stop at the St Louis Airport we picked them up, went to eat and showed them some of the highlights of St Louis. We were at many Podiaty meetings with your mom and dad. My husband was Dr Martin Becker. Your wonderful memories of your mother will be a blessing. We were at a meeting in Florida and your mom sat in the sun but I was sitting an umbrella but your mom ended up as red as a 🍷.
