“ *Rest in peace, Mildred. You certainly left the world a better place than you found it with all of your good deeds.*

“ *Laurie, Always remember that only your mother's physical being has passed away, however, her soul lives on forever!! This is a fact. I have personally experienced things that proved that 100% . I will tell you sometime. I love you. Speaking as a mom, I know your mom would want you to smile, so my prayer this week over my Shabbas candles will be for your beautiful memories to bring that beautiful smile back.*
