“ I am so sorry to learn of Nancy’s passing. We were friends at North Avondale elementary, walnut hills and Washington University in St. Louis. She was a wonderful person. I just saw the notice in the Washington university magazine. To her family, you were so lucky to have her in your life.

“ Condolences from Dave and Debbie Kerr. She was one of my memorable pharmacy students since we were the same age. Later she worked with my wife at the pharmacy. We had 5 cats -so we had a lot to talk about.
