“ Gerry and family.....I saw Nancy's obituary in the paper and I just wanted to share in your loss.....I always looked forward to seeing all of you especially Neil .....each brought so many smiles and happiness to my day....I remember talking about our dogs..... Nancy's smile and your kindness.....I was always so excited to see your names on my schedule ....my leaving was so abrupt and I never really got to say goodbye.....I hope this note gives you some comfort just knowing how special you were to me.....I wanted to call but do not have a phone number for you.....Blessings on the Journey....Sally Gehlert....your healing touch Practitioner and dental hygienist

“ I am so sad to learn of Nancy's passing. I think of Nancy with a big smile on her face and a great laugh to go along with it. She was a loving and loyal person. Along with many other Women of Rockdale we owe her a large debt of gratitude for staying on as Sisterhood President "forever" as she would say. In years when no one else could or did, Nancy carried the ball and gave her all to help insure the continuation and the future of the Sisterhood at Rockdale that she loved. Jerry and family I know you will miss her terribly. May her memory forever be a blessing.
