“ Good morning. My mother who recently passed away was a member of Saint Susanna Parrish, a short distance from good Shepherd. I however, am a member of the Good Shepherd Parrish. When my mom died, this was found in her belongings, I'm guessing she found it at a garage sale as she quite frequently visited them. I'm not really sure how she came upon it but I will say she kept her rosary in it and I have it. I wasn't sure if this is something someone in the family would like and if so, please contact me. If not, please know that I will be using it and always think of my mom and now your father.
