“ My name is Renee Myers Skidmore. I went to Deer Park High School from 1968-1972. I wanted a job. Dr. Blatt was the one who gave me my first job. I was 15 1/2 and answered the phone after hours and logged everything in a notebook. Dr. Blatt would call me about every 2 hours to get his messages. I think my pay was less than a \$1.00 an hour.

I was very grateful for this opportunity.

My sympathies are with his family at this time

“ My sincere condolences on the loss of Dr. Blatt my wonderful neighbor on Royal Oak Court while I next door was rearing my Children. I recall once when my husband was cutting our grass on our tractor Dr. Blatt the pediatrician said" Take the kids inside I don't want them to get hurt. Kids are absolutely unpredictable!! He spoke of when he lived someplace else a mother finished eating her meal before her toddler did She just knew he was in the HOUSE. She hurried out and was practicing her golf swing in the yard and the swung and hit the kid in the mouth head and face and did a lot of damage. he was a pediatrician in the yard, also!!

His memory will definitely ALWAYS BE FOR A BLESSING. Maxine Davis Hakim

Mother of Dr. Jonathan Hakim and Dr. Miriam Hakim (Dr Blatt was always a good role model to them.)
