“ *My deepest condolences to the family. Pam and I met when we began working together in 2011. I really enjoyed working with her. She was always so kind and helpful to work with. I have a fond memory of the day she treated our office to her amazing Chocolate Ice Box Cake and I'm forever touched the year she made me a very special birthday cake that had Tate's chocolate chip cookies in it. Whenever I see Tate's it always takes me back to that day :) I will always treasure the friendship we had and the recipes she has shared with me.*

“ Pam and I became close friends in 1971 when I moved to Cincinnati and have remained close friends over all these years. Pam was a loving and caring person to everyone she met. It breaks my heart that she's gone and she'll be missed terribly.
