“ *Patty (as I knew her) and I attended elementary and junior high school together. I remember most her wonderful warm smile. I also recall going to her birthday party where her mom made some great chicken a la king, new to me. I haven't seen her in many years, but it looks like she had some beautiful grandchildren and a nice family. God rest her soul.*

“ *Pat was my friend and my boss and much more . I cleaned her house for many years and she became a close friend and she visited my grandson who had cancer at children's and was so supportive and she was just the best friend . I could go on and on about Pat . We would laugh and talk about life and just enjoy our days . I sure will miss her . She loved her grandkids . They were her life . Her pride and joy .*
