Pat was such a warm welcoming person. I was fortunate to meet her at a Lego robotics competition many years ago and spend the day in her joy and pleasure. Condolences to Rich and family at this time of loss.

“ I enjoyed my time with Pat during my tenure at JFS. Roz and I were happy to have been friends with Rich and Pat during our time in Cincinnati. May her memory always be for a blessing to her entire family.

“ I only met Pat a few years ago and didn't get to spend a great deal of time with her, but she was so sweet and kind- always encouraging and funny. I thoroughly enjoyed the time we spent together. I will miss her. My prayers go up for her family and all who will miss her dearly. Diana Stroble

“ My sweet Pat. My second mom. I spent more time with her over 20 years more than my real mom. At least two hours a week for those 20 years! The past three years I was not with her much and it hurts so much to have lost that time that I could have had. She was brilliant, beautiful, loving and hysterical. I will cherish every minute I had with her.

“ Pat was so committed to helping other people. Back near the turn of the century she agreed to accompany me to tutor children in need through the Cincinnati Public School system. I loved our long drives across town because Pat always shared stories and insights, as well as her wonderful sense of humor.

Years later Pat was working for Jewish Family Service and she was our contact, connecting us with people for what Temple Shalom called our Bikur Cholim program, bringing Jewish holiday celebrations to people in nursing homes. She was so good about keeping everything organized, and had great ideas. She was a real "can do" kind of person.

What a wonderful friend Pat was. When working at the Parisian, with her great fashion sense, she helped me with my wardrobe decisions, and still kept her sense of humor, accepting me for who I am. We shared our favorite books over the years. How lucky I am to have had Pat living across the street from me. She liked waving to me while we talked on the phone.

There was nothing better than relaxing for a chat with Pat. Sadly, the pandemic robbed us of those times these past couple years. I will always remember her bright intelligence and infectious laugh. Even with her illness she could always find a positive note.

My heart goes out to her family, all of whom she so dearly loved. She will be missed so very much.

Pat was an essential part of the refugee resettlement team during the 1980s and 1990s. Her care, compassion, and humanity helped smooth the transition for so many people who made their way from the former Soviet Union to Cincinnati. May her name and memory always be remembered for a blessing.
