“ Dear Paulette,
Sandy and I were saddened to hear of Paul's death. We thought
back to the time when we saw you in Denver and to the times when
we saw you at the Walnut Hills reunions, and to even earlier times
when we danced and had fun together at Sigma parties and
dances. We saw the beautiful memorial service for a loving and well
loved family man and Physician. You and Paul were a great couple,
and fortunately were able to have many, many years together.
