“ *Memories of Mrs. Brown are warm and mostly from my childhood. They are many and all bring a smile to my face. As a little girl, I found her larger than life and any interaction with her was mesmerizing. I saw her again @2000 at a production of GOOD NEWS at Miami's Hamilton campus. My high school age daughter was in the cast. At intermission I asked if she had located her. "Honey, I knew right away...she looks just like you did." Like I said, she makes me smile! My sympathies to the family. My sympathies to the family.*
