Raisa Chepurnaya, aged 88 years old, passed away Saturday, July 11th, 2020. Beloved wife of Leib Mezhvinsky, loving mother to Roman Mezhvinsky (Anna), devoted grandmother to Alex and Lina Mezhvinsky. Born on November 10th 1931; Raisa lived most of her life in Ukraine. As a child, Raisa grew up during the turbulent times of World War Two. Due the trauma of this event, she gained a lifelong wish for everlasting peace on Earth and worked hard to realize this dream. After the war, Raisa became a well-known and beloved teacher to hundreds of students at School No. 94 in Kiev for almost forty years. Her students have since scattered around the world but each and every one still cherishes her memory. Raisa spent the last twenty-five years of her life in the United States of America being a wonderful grandmother to Lina and Alex Mezhvinsky, always with a kind word and story to share. In lieu of flowers, donations to the charity of your choice would be appreciated.
