“ I did not know Ms. Alpers but I do remember seeing her and her dog last season's performance of "The Cover of Life". I am so sorry to hear of her passing. Her enjoyment of live theatre was very evident.

“ I will remember Renee for always finding a way to keep making music, even though she often had to fight her body for every note. Renee very clearly acted as a role model and motivator for people who were beginning an instrument or as singers. Her determination to keep making music, regardless of what life threw at her, is what I most appreciated about her.
