“ *My heartfelt condolences to the family. I haven't seen Rick for sometime but when I did I always enjoyed his big smile, hearty hello and upbeat personality. I am thankful and I appreciate the help Rick gave me when I started my Commercial Cleaning business many years ago with his generous advice & consultations which were extremely helpful and contributed to my success.*

Rick was my co-host on a talk radio show I did in Cincy for years (WAIF-FM); we had fun & he had a great sense of humor; I still have plenty of tapes from those days so I can always listen to his repartee with me & guests. 70 was too young to go: RIP my friend--see you on the other side .Larry Kaplan

I bet I know where this was taken. Look like an AEPi formal - maybe in Kentucky ?? Memories are the best!

“ So many fond memories of Ricky.....AEPi shenanigans, weekly dinners at our house when we lived in Cincinnati, joining us for our kids B’nai Mitzvahs, getting together whenever we were in town and hysterical phone conversations. Rick will be missed by our entire family. May his memory be a blessing to all who loved him.

“ My precious memories about Rick are when I had the opportunity to talk to him during some of Claudia’s milestones. One particular memorable event was her 18th birthday celebration and high school graduation. He always loved to talk about Claudia and how proud he was about her accomplishments. Rick will be missed! I am very sorry for your loss. Isabel Aranda- Hopp and family.

“ Over the years, you forget people, and not Ricky. He would light up the room when he arrived. It’s not one memory, but a series of moments in which I truly enjoyed his company. It’s my fault that I lost contact. May his memory be a blessing.

I weep with so many others over the loss of this sweet, kind and humorous man who was in my life all my life. A beloved friend I will miss until my end. Very difficult to get my head around this loss. The memory of him will always be a blessing.

It's now over a week since Ricky moved on. I have known you since 1st grade at Roselawn Elementary and we were in the same classes all the way through graduation at Woodward. We were in the same religious school, Cub Scout den and boys club. You were there through the beginning of golf and my kids and I referred to you as "happy feet". We've played poker regularly for 52 years. [Randy Z can say all the same things). It's hard to imagine you out of our lives. Be there to greet us when it's our turn to join you.—Sandy
