“ Seeking for an old friend and learning of their passing is so sad to me. Mr. Lesser was such a kind and calm man. He kept me on track after my dads passing and collecting his estate. I don't know what I would've done without him. I am grateful and thankful to have known him and to receive his kind guidance. May his family forever be blessed by the benefits of his actions towards others. He was very kind, very fair and possessed massive professional knowledge that helped so many. I love you Rick! Thank you for everything. I am so sorry I didn't get to tell you one last time. 🌟🌟👍👍

“ I am so sorry to hear of your loss, Mary. To say that I'm shocked to learn this doesn't even begin to describe it. He was a wonderful man, who was always warm, giving, and there for people. I'm shocked. He was too young.

“ I always enjoyed the candid and sound advice Rick gave me as an attorney and as a trusted friend as time went on. He did his first legal work for me in 1983 when I adopted my oldest son and then again a few years later when I bought my first house. We had lunch a couple times each year, talking about life and family things mostly. He was very proud of his son and we swapped good parenting stories. He continued to give me the good advice I needed both as a friend and as a client until just recently. I regret not learning of his passing until today. My sincere condolences to Mary and Matt.

“ Mary and Matt - my deepest Condolences. Rick will be so missed by so many. He was beyond a Mensch. Rick was one of my office sharing mates when I first went out on my own in Law Practice. He was a true Mentor and like a 2nd big brother to me. He showed me so much about how to do things the right way. A big part of our over 35 year friendship was about laughter. As sad as I am, I will never forget our laughter together. May Rick's memory be a blessing. -
