“ Sending condolences to the family of Ron. I've worked with Ron for many years and grew to know him well. It is hard to realize he is no longer with us. May your good memories of Ron provide you comfort at time.

“ *Mark and Karen, may Ron's memory be a blessing. I visited him in the hospital a couple times and we reminisced about old friends. We met through the Jewish singles group on the late 80's and lately have been seeing where people are today. I'm so sorry for your loss. I will miss him greatly. Teri Scheff*
