

## Rosalie Abrams

July 23, 1937 - July 16, 2021

Rosalie Abrams, of Mason Ohio, died peacefully in her sleep on the evening of July 16, after several days of visits and final goodbyes from her beloved children, grandchildren, friends and family. Born in 1937 in Bronx, New York to Sam and Lee Mutzman, Rosalie was the first of her family to attend college. She graduated with a degree in Dietetics from the University of Miami, in Florida. She met her husband, David Abrams, of blessed memory, in Cincinnati, Ohio, where she had completed her Dietetic internship. She and David raised four children and remained happily married until his passing in 1980. Rosalie spent 25 years as an Educator with the Princeton City School District. She loved exploring, having traveled extensively through Europe, Asia, Australia, South America, and the United States. Rosalie enjoyed reading, playing Mahj Jong, dancing, and spending time with those she cherished. She was a loyal friend, trusted confidant, and the cornerstone of a multi-generational family. She was affectionally know by her grandchildren as “Grandma Roro”, and welcomed them to “Grandma Roro’s boot camp” when they were young.

She was preceded in death by her husband, David Abrams and her son Robert Abrams; her parents Sam and Lee Mutzman. She is survived by her daughter Faren Abrams of Mason, Ohio; Ceil Euster (Mark) of Atlanta, Georgia; Randy Abrams (Jennifer) of Charlotte, North Carolina; as well as grandchildren Seth and Jacob Euster, Brandon and Jordan Abrams, and

Daveed and Tikvah Abrams. She is also survived by her brothers Joel Mutzman and Richard Mutzman (Judy). She is also survived by many nieces, nephews, and friends.

“*Rosalie was my first cousin on my Mom’s side. Her Dad was my Mom’s older brother Sam. Rosalie was at my Mom & Dad’s wedding. They loved Rosalie very much. I can hear Rosalie’s laugh now. My Dad made her laugh a lot.*

*I got to reconnect here in Florida a few years ago with her whole family. It was a wonderful day. Also got to see her & Daughter Faren again after they had been on a cruise. I even talked to her about a month ago. So very grateful to have reconnected with her.*

“*While I did not know Rosalie I do know her son Randy. He is a huge asset to our team at Cox Automotive. He is a great leader who puts everyone on the team first. His charismatic attitude towards life brings people up when they are down and pushes them when they need a little encouragement. These amazing qualities I know must come from an amazing mother. We are very sorry for your family's loss and will be thinking of all of you during this time. - Jeff Adams and Cox Automotive.*
