Thanks Bette Ann and Doug. Sorry for this late response --- we all know my computer skills leave something to be desired. Mom would be happy to know that you think she always looked so pretty. I remember how she and your mom were good friends. Thank-you for thinking of us, Lynne

“*Susan and I are so saddened to learn of the passing of Ruthie Heldman. Literally, she was a part of my life for my entire life - the happy times, the not-so happy times; holidays and holy days; celebrations, birthdays, vacations and family reunions. I will always remember Ruthie as a very gracious lady*

The one special memory I hold is of Ruthie is the time when she, Lynne, Fred, Susan and I went to the Playhouse in the Park to see a production based on the life of a former employer of hers, Syd Nathan.. It was an unforgettable experience to hear her re-live her connection to a to the subject of the play and give her perspective on him.

*Eternal rest grant unto her, O Lord, and let Your perpetual light shine upon her.
May her soul and the souls of all the faithful departed rest in peace.*

*Sincerely,
Lou and Susan Winston*

“ I'm so sorry that our beloved Ruth has passed away. She was such a fun, colorful person, who loved to socialize. She always looked so beautiful, and knew that green, her favorite color, perfectly complemented her reddish-blond hair. And of course, don't forget that she was a true chocoholic - a trait that she passed on to Lynne. Several times, she and Lynne came to my house for holiday dinner, and Ruth always had a box of Esther Price candies in hand. We love you, Ruth!!
