“ I wasn't aware of Sally's passing until this evening. I went to school with Sally (she was class of 1972 and I was 1973) I always thought she was so pretty! She was always so sweet and always smiling. We became neighbors on Price Rd. a few years after high school, but it wasn't long until they moved away. Always enjoyed talking with her. Such a beautiful person inside and out. I am so sorry for your families loss. My deepest condolences. I know she will be missed.

“ I did not know Sally very well, I did not meet her until high school. She was always so sweet. I never did heard her say anything negative about anyone. She was a focused student and at the top of our class. She was one of the editors of our high school newspaper, the 'Reflector' and she did a wonderful job. I remember hearing her laugh while working on the paper, I think she really enjoyed putting the paper together and enjoyed the people and the story that was featured. My deepest condolences to her family and friends, I wish I had known her better. Sincerely, Kristie Engstrom Mount

“ Sally was a brilliant and caring friend each day as we grew up together along Price Road in Milford .. Girl Scouts - or evading meetings to eat ice cream at Grandma Bates home..co editors of The Reflector Milford High school newspaper- she a MUCH better writer than I.. sharing confidences about first boyfriends, studious roommates together at Miami U .. later as a young adult I lived in Texas and was burnt out as a nurse .. who did I fly to see? Sally and David for their good counsel. May her beauty and brilliance live on..
