“ An astute restaurateur who later thrived in the festival business. Newport's riverfront events were made special by Sal. It was an honor to serve with him on the Board of Directors of the Kentucky Restaurant Association.

“ Sal was an accomplished horseman and kept a horse at our farm for many years. My most fond memories are on horseback with Sal by my side.

Picture of Sal on his horse at the time,Rice Cake, or RC, and my husband, Dick Miller, on his Appaloosa, Bonnie.

Dick's memories: weekend lunch at the farm with us and our horses.

Work wise: we always had a great time together despite the official BS. We were close in our thoughts, ideas and friendship.
