“ Dear Steve,
I wanted to off my condolences to you and your family. Over the years I had the chance to interact with your father. He was an icon in our industry, yet he was a very kind man who always had a smile! Our industry was better for him being a part of it and he truly created a Family business! You and your brothers in law have made an impact that no one could dispute. I sure he was so proud of you as I'm sure you were proud to be his son! God bless!
