“ *My sympathy to your family. Dr. Harris was my family doctor until he retired. When he started his practice in Mt. Washington I was the first or near the first baby he brought into the world. He also helped name me. I have my first birthday card and it was from your mom and dad. He was the best. He was never too busy to take care of his patients. I also have fond memories of your mom, what a wonderful woman. I know he will be missed.*

“ Cherie, Phil & family, I am so sorry for the loss of your Father. I never met him but I know you & Phil from babysitting Amy in the 1970's. My dad passed March 1995 & Phil, your law firm handle Dad's estate. That was the first time I've seen you since my babysitting days watching, playing, caring & loving for sweet Amy. Again, I am so sorry for your loss. You & your family are in my thoughts & prayers. God Bless.
