“ Childhood friends are extra special. Sanda was an important part of my life from the very beginning. There were dance lessons at Zola"s, birthday parties, slumber parties, summers at Girl Scout camp, movies at the Novo every Saturday and Sunday... Then overnight Sanda became the Annette Funicello look-alike. She was the prettiest girl in school. Everybody loved her. We were cheerleaders together and we were both Salutatorians of our graduation class. When I read the story of *The Little Prince* and his rose with my students I would tell them about Sandy. "On ne voit bien qu'avec le coeur. L'essentiel est invisible pour les yeux." Sanda Lenore Alexander -- she was my rose.
