“ Dr Sandra .. I am so sad to learn of your passing.. Covid kept us a part for a few years... there is so much I would love to share with you. You listened and helped me for about 13 years. When we would say goodbye after our sessions I know we each felt the love we had for each other. I'm sorry I didn't know sooner but I have thought of you so often and you will always share a space in my ❤️ Janet F.
