“ I worked for Dr. Franklin as a front desk assistant for several years. He was a a wonderful dentist, person and teacher. He had a great way of putting patients at ease and was truthful in their treatment planning. I've often thought of him and the staff. I just came across his obituary. I truly enjoyed my time there .

“ Toby, Alan and Caryn and families. I have so many fond memories of Sandy. The one that stands out the most was sitting in the back seat of my brother's convertible with my “date “ Sandy. My brother had to drag along his much younger sister. I felt very grown up and Sandy was a good sport. I was so glad that I got to speak to him recently on the phone. Please accept our condolences.
