“ Our first memories of Sara, were when she came to visit, Barb, Jim and Nikki in St. Louis. Nikki was probably two years old. Sara was stunning, beautiful, very stylish, i wanted her to be my second mom. She was so very warm to the three of us, that we immediately loved her. She was gracious, kind, always knew how to make you feel special. She was gifted in that way. A gift Barb and Nikki inherited. She appreciated the deep connection the Friedmans and Forbus had formed. We always looked forward to her visit. We know she is at peace now and will always be with us in blessed spirit.  
With love,  
Marsha, Mark and Josh
