“ Sarah made a great impression on me, in particular as I was learning to become a religious teacher. Listening to Rae, Zoe & Micah's words brings back memories of what a brilliant woman she was. Her memory will always be a blessing.

“ When Sarah came to Thornton High School, we immediately connected. We had so much in common--a love for people foremost. As we navigated some rough waters, we bonded, always having things to share about staff development and writing and public speaking. In recent years, despite being geographically separated, we were able to keep in touch and celebrate each other's lives. Sarah will always be in my heart, and my heart is with each of you, Elaine, Colin, Rae, Zoe, Micah, and Blair, Betsy, and Tim. My deepest sympathy and love to you all.

“ *Elaine, Colin, Betsy, Tim, Blair...when you lived on Harvard and we lived on Logan I don't recall a day when our families didn't interact...Betsy, Sarah, Melanie and Therese Marie.*

I live on the Lake (as does Therese Marie) because of your most gracious Family.

Elaine, I cannot imagine the loss of a Child. Colin, I cannot imagine the loss of my Wife and the Mother of my Children. Betsy, Tim and Blair, I've lost four Sibs so I feel your pain.

Please know, Sarah and You are in our thoughts and prayers...daily.

Sarah was a very special person. My son and I took one of her Leadership courses and were forever changed in how we looked at the world, our community, our work places, and our family. She was one of the most inspirational mentors I ever had the experience of encountering. She will be sorely missed! May her family be comforted among the mourners of Zion and Jerusalem.

What a beautiful service and tribute to Sarah's incredible life! I'm amazed at the strength it took for Rae, Zoe and Micah to speak about Sarah. I wasn't able to do that at my mother's funeral, when I was their age. It heartens my soul to know that her children will carry her spirit on, as will all the people whose lives she touched.
