“ It doesn't seem possible that OLLI can function without his always ready willing and wonderful input. He always came up with such remarkable live historical insights about his time in Germany as a young soldier at the end of WWII. He was one of the first volunteers to offer to moderate a off campus class at the Hebrew Union Institute for the very early Wednesday WOW's. It was a tour of the Reproduction of the Ann Frank Type Attic, and my first association with Saul. What an outstanding gentleman, with such willingness to share his experiences with fellow OLLI members. I also looked forward every day to his wonderful links to humor, International news, local news, and his generosity, in providing speakers on so-o-o many topics. Saul was one of my favorite members of OLLI - - - a joy to be with and a priceless friend. I'll miss him dreadfully. My deepest sympathy to your entire family - his loss to you is enormous, I know. Thank you for sharing his tremendous talents with us. What a man! Fondly remembered - greatly admired, respected and valued. A man of integrity, and a true gentleman. He was Cincinnati's "Man for all Seasons"

“ I was sorry to here about the passing of Saul. I know the Marmer family has suffered a great loss. I first met Saul when I took a class on Rod Serling thru OLLI. The information presented was very interesting and informative. I always looked for his classes first...I will miss all his little stories from the magnificent life he led.
