The Euologies were quite lovely ... They covered every single aspect and attribute that was Sean 'SHAWNNNN' Loring...

I mean every single word that was uttered on his behalf and life. Perfectly illustrated what/who Sean was and what he meant and how he so positively impacted so many lives, including mine.

We will surely miss him but we will never forget him and we shall always have him near and dear our hearts & minds.

Sean may God eternally bless you my dear friend 🙏

“ Just heard of his passing. I never knew him or his family personally. I am a traveling ICU nurse via Trustaff. Trustaff has been great to me via my recruiter Jase. Sean, may you rest in perfect peace. And to Sean's family, May God be your North Star.

*Now I've heard there was a secret chord
That David played, and it pleased the Lord
But you dont really care for music, do you?
It goes like this, the fourth, the fifth
The minor falls, the major lifts
The baffled king composing Hallelujah*

*Hallelujah, Hallelujah
Hallelujah, Hallelujah*

*Well, maybe there's a God above
As for me all I've ever learned from love
Is how to shoot somebody who outdrew you
But it's not a crime that you're here tonight
It's not some pilgrim who claims to have seen the Light
No, it's a cold and it's a very broken Hallelujah*

*Hallelujah, Hallelujah
Hallelujah, Hallelujah
Instrumental*

*Hallelujah, Hallelujah
Hallelujah, Hallelujah*

“ Sending love and prayers to Sean's family and friends. I only had the privilege to meet Sean face to face one time I think, but was very impressed with his warmth and friendliness. With that one encounter and all the things I've heard about him, I have no doubt he was a wonderful person. In these times of grief down here, at least we have the promise of a reunion one day in heaven. Michelle, I've asked God to give you and Mia the strength and comfort that's needed to get through these difficult days as you say your goodbyes down here. And if there is ever anything I can do to help you, please don't hesitate to call. Here's sending love your way.

“ *The Hagerty boys always loved playing tennis ball baseball in the street on Harvest Ave with Brent & Sean almost every day in the summer. Bounced foul balls off of the Fox's house and laughing all day.*

When we got too hot everyone would jump into our pool to cool off, then back to playing more baseball.

Brent and family, I'm very sorry for your loss.

It's not fair to have Sean taken when still in the prime of his life.

Know that Sean is with God now.

I'm praying for all of your families.
