“ My condolences to Dolly and the family. Sheldon's memory will be for a blessing. I often enjoyed visiting with and discussing business with Sheldon. His sharp business acumen, sense of humor, kindness and joy for life were wonderful. I will always think fondly of him and be thankful for our friendship.

“ To Sheldon's family - I met him in the 1980's when I was a Central Trust banker and he was with totes. We did business together then and stayed in touch long after he retired. I consider it fortunate that I got to know him and that we became friends. Quite simply a good man. R.I.P. Sheldon!
