“ Remembering Shirlee on her birthday: she almost made it to 98. Shirlee was first cousins with our mom, Helen Greenberg Weissman, and even though they were not close in age nor did they live near each other, they were close when they did see each other. Helen died 3 years ago, at 102, and in her later years greatly enjoyed talking to Shirlee on the phone and sharing some of those very old memories. After Helen passed, my sister, Wendy and I talked to Shirlee on her birthday at least, and those conversations were delightful and full of laughter.

Rest in peace, Shirlee, and give Helen a hug and kiss from us when you see her. Condolences to the family; Shirlee was a pistol, and we will miss her.

“ My deepest sympathies. I met Shirlee at a Hadassah Donor luncheon years and years ago. You could tell she loved Hadassah and she shared that love with those of us who came up through the ranks. Carol Ann Schwartz, Past President, Cincinnati Chapter
