

Sonia Fox

September 30, 1928 - May 9, 2026

With profound sadness, the family of Sonia Fox, 97, announces her passing on Saturday, May 9, 2026, after a long and meaningful life filled with love, resilience, and devotion to those she cherished.

Sonia was the daughter of the late Meyer and Gertrude Zwerin, the beloved wife of the late Carl Fox, devoted mother of the late Howard Alan (Gretchen) and Randy Bennett (Shari) Fox. She was the dear sister of the late Harvey Zwerin and the late Robert Zwerin, a loving grandmother to Shawn (Heather) Fox and Julie (Matt) Estenfelder, and a proud great-grandmother to Finley and Scarlet Estenfelder.

A graduate of Hughes High School, Sonia pursued a path uncommon for women of her era by attending Pharmacy College. She became one of the first women admitted to the Pharmacy Fraternity and worked as a pharmacist until the birth of her children. Her dedication to the profession endured for decades, as she maintained her certification and connection to the field throughout her life.

Family was the heart of Sonia's world. She treasured time spent together and nurtured relationships with relatives across the country and around the globe. Her warmth, kindness, generosity, and unwavering support touched countless lives, and she will be remembered fondly by family members and lifelong

friends.

The family extends gratitude to the staff and residents of Cedar Village for their care and companionship. They are especially grateful and appreciative of Patrice Gambrah, Gina Robins and Sherese Davis (Sonia's primary aides), and all the dedicated personal aides who surrounded Sonia with love and compassion over the years.

A graveside service will be held on Tuesday, May 12 at 2PM at Rest Haven Cemetery, 10209 Plainfield Road Evendale, Ohio 45241. In lieu of flowers, memorial contributions may be made to the charity of one's choice.
