“ *Crysta, we met last April at the Brigham when Stephen was undergoing stem-cell and my wife was undergoing immuno-therapy, I understand that he has passed, as has my wofe, she in October. My thoughts and prayers go out to you, to Gabby, to Gwyneth, and may the memory of their Dad support them in these difficult days ahead.*

“ *I just wanted to acknowledge Dr. Pleatman as being a great and caring physician for my two daughters Julie and Barbie. We were with Suburban Pediatrics for years and we always liked getting Dr. Pleatman for our many visits. Our hearts go out to his family and friends, as he shall be missed. In Sympathy,
N. Metzner*
