“ I worked with Dr Friedman in the GYN surgery department at the old Jewish Hospital (also, when the dept was closed & we were shipped to the main OR). Dr Friedman was always kind & concerned with his patients. He always spoke so highly of you, Hindy. I took a short leave after our unit was (sadly) closed. He called to make sure I was doing fine. I so appreciated this gesture. Prayers for his family.

“ Deep condolences to Hindi and family.  
I worked with Stu during his first private practice. We were both so young. Also visited him at University of Indiana during my studies of Ultrasound. Hindi and Stu were so welcoming. I will never forget all of these times.

“ I am deeply saddened by the news of Stewart's passing. He was a great family man, abundantly loving husband, and well loved and respected in his community. He will be greatly missed. Stu was always so welcoming and included me as one of the family. Hindi and I have been "BBF's", Best Friends Forever since first grade. The three of us enjoyed many laughs and memorable times together when I would visit in Cincinnati or Florida. Hindi, Jason and Erin and children; Alison and Chad and children I will be thinking of you during the difficult weeks ahead but I know you are surrounded by loving thoughts and forever memories of many wonderful and happy times together. I am sorry that I cannot be with you to celebrate Stewart's life but I will be there in spirit and thinking of you. Lastly, I am grateful to have been a part of Stu's life. Thinking of you always and sending you all my love, Sandi

“ I am so very sorry to hear that Stewart has passed away. You have my deepest and most heartfelt condolences. I was eight years old in 1960 when my family moved to Roselawn. The Friedmans were our neighbors on Robinwood Ave. When we moved into our house at 1431 Robinwood, Skipper, the Friedmans' dog, slipped by the movers and made himself comfortable on our couch. Shortly thereafter, Stewart came looking for him. Stewart became my first friend on our street. That friendship is memorable. May Stewart rest in Peace and his memory be for many blessings.

“ I was a patient of Stu Freidman, a friend.

Stu was a leader in Jewish community,

I also was also a friend of Stu's mother, wonderful family!

“ I am so sorry to hear of Stewart's passing. For the past 2 years or so, we have sat next to each other on Saturday mornings. We had an opportunity to share many family stories of travels and just checking in with each other on how the week was. I can tell you that he loved his family and his grandchildren. He will be truly missed.
