“ Sue's warmth and kindness came through in more than her words. Perhaps it was her smile or eyes, I just had a good feeling inside when I was with her. Almost as if she had had her arms around me giving support, understanding, and love. She was a very special person and I feel fortunate to have known her. My deepest sympathy to all of the Jurans.

“ Meeting her over 50 years ago while she was getting her degree with my mom, I remember thinking then and truly confirmed year after year that she was one of the kindest Ladies that I had ever met! Loved by all and she will be truly missed!
