“ I knew Susan through Aegis. She always had the biggest smile when she saw me coming into memory care. She always wanted to be next to me, going walks with me and always called me pretty, so I called her pretty as well and she loved hearing that :) she was one of my favorite residents and I always think about her and her smile. I will cherish her forever in my heart

“ Please know that these words of condolence are belated but sincere.... It had never occurred to me that I would be hearing about the passing of one of my nieces or nephews.....

I've been struggling to come up with the "right " words, but I can find none.

May your Passover be safe and blessed.

With affection,

Aunt Margie

“ I was so sad to hear of Susan's passing. I met her at Aegis. She was the first person to befriend my mom when she moved into Life's Neighborhood. She loves her grandkids and would ask me about them all of the time. She would call me Kristie (I thought that she was saying Kathy but I think it was Kristie.). I was hoping that I would meet Kristie, to see if we have any resemblance, at all. She always wanted a hug, too. I will miss getting to see her. May her memory be for a blessing.❤️❤️ Judy Kaufman Babb
