“ Mrs. Vaughan was my 5th grade teacher and I loved her so dearly and felt so dearly loved by her. Even 32 years later I think of her often. She taught me math and English but also shared so many life lessons. I am a teacher now and I wish I'd had the chance to share that with her. Her memory is a blessing to me.

“ I'm sorry to hear of Sue's passing. I remember her from the Jewish singles group flyback in the 80's She was always pleasant, and self satisfied. I recall her shared passion for her Dachshunds which meant the world to her! When we saw each other we would share photos and talk about " our kids!"
I would occasionally see her at concerts and learned of her interests in the rock groups from the 60' and 70's. May her memory and smile be a blessing. Sincerely, Dan Stein
